Dear "Dr. Dudley":

While I was in Chapel Hill two or three weeks ago I called and found that you were out of town. I wanted to say hello to you and tell you about the job that "Shorty" Spruill is doing for us.

He has gotten a wonderful grasp of the many problems facing us here in the Textile Section of CPA, and is doing a beautiful job in relationships and in helping us arrive at conclusions. His quietness and modesty are wonderful attributes and are paying great dividends in a place that has a minimum of those attributes. He has excellent force behind his quiet demeanor and this force has enabled us to dispatch the work which otherwise might have bogged down.

I appreciate your cooperation in helping us get him and we are more than happy that he is with us.

Sincerely yours,

Luther H. Hodges
